

AC1000

FULL MODULAR ATX 3.0 POWER SUPPLY

SPECIFICATIONS

Rated Power	1000W (Full Modular)
Voltage	220V
Main Features	Active APFC+DC-DC / PCIE 5.0
Efficiency	80PLUS Gold Certification
Temperature Control	Supported
Protections	Overvoltage/undervoltage Protection, Short Circuit Protection, Overload Protection
Warranty	10 years
Packaging Accessories	Screw package, Manual, Power Cord

CONNECTORS

1x (20+4PIN)

2x (P4+4)

3x Large 4PIN

5x SATA

2x (P6+2)

1x PCIE 5.0

FEATURES

High-Precision SMT DC-DC Circuit Design | Ensures full output of 12V circuit | Double-layer fiberglass PCB circuit | Flat copper filter inductor
