Rich Bass

FUNCTIONS

1. Previous song
2. Play/Pause
3. Next song
4. Volume decreases counter clockwise/increases clockwise
5. Power switch (long press)/Mode (short press)
6. AUX Jack (audio source input jack)
7. USB-C charging port
8. USB Flash drive port
9. Memory/TF card slot
10. Charging indicator light

SPECIFICATIONS

| | |
|--------------------------|--|
| Model | VT500 |
| Rated output power | 2*5W THD=1%1kHz |
| Bluetooth version | Bluetooth 5.0 |
| Compatible protocols | Supports HSP, HFP, A2DP, AVRCP protocols |
| Frequency response | 80Hz-18KHz |
| Noise ratio | ≥80dB |
| Degree | 1kHz 1W 0.3% |
| Resistance | 4 Ω |
| Speaker system | 2.0 Stereo low frequency boost |
| Power method | Lithium battery |
| Battery type | 18650 lithium-ion battery 3.7V 2600mAh |
| Charging time | 4 hours |
| Continuous playback time | 10 hours (volume 60%) |
| AUX input | 3.5mm audio jack |
| FM frequency range | 87.5-108MHz |
| Features | Wireless Bluetooth playback, hands-free calls, Line in input (audio source input) TF card, USB, FM |
| Packing List | Bluetooth speaker ×1, USB-C charging cable ×1, 3.5mm audio cable ×1, instruction book ×1 |
